Retrenchment in the Department of Mines.

READ—

The suggestion of the Retrenchment Committee that the post of the Junior Inspector of Mines on Rs. 125—25/2—250 may be abolished without impairing efficiency and that his work may be redistributed among the other officers in the Department of Mines.

2. Letter No. 533, dated 5th October 1931, from the Chief Inspector of Mines, explaining the circumstances under which four Inspectors and a Probationer were appointed by Government with a view to ensure a more systematic inspection of mines and explosive premises on the Kolar Gold Fields and outside that area, and stating that, in his opinion, the Department is undermanned for carrying out the normal work of the Department and that there is therefore absolutely no scope for retrenchment in the Department of Mines and Explosives.

ORDER No. FL. 2889-91—G. F. 76-31-7, DATED 17—19TH OCTOBER 1931.

Government consider that there is some practical difficulty in retrenching the post of the Junior Inspector of Mines and direct that the post be continued.
